

President's Message

by Terry Bell

Winter 2002-2003

It is hard to believe that the year is just about over. It has been a real privilege for me to serve as the president of the Utah Association of Financial Aid Administrators. When you accept an assignment like this, it has been my experience that you always gain more than you give.

I would like to thank the UASFAA Board for their support and hard work. It makes the job of President much easier when you work with a board that always does what they say they will do and who are willing to take on assignments as needed.

This year we have met some of our goals and there are still some that we are working on. The UASFAA web site is one that we can be proud of. I know how much time and effort Peggy Leavitt has put into that assignment and I certainly appreciate it. The UASFAA Board reviewed and updated the UASFAA Constitution and By Laws. We looked at our committee structure and have made adjustments as needed. The UASFAA listserv is almost completed. It will give us a better method to communicate with each other.

Again, thank you for your help and support. We can look forward to a great year next year with Kent Larsen as President.
